Henry Ward Beecher on Farming.

Mr. Beecher is not one of those

Mr. Bescher is not one of those Jack-of-all trades who are good for none, for whatever he undertakes he geterally does well. His last work is a book called "Plain and Pleasant talk on Fruits, Flowers and Faruning," just is sued, and the reader, we have no acute, will find it just what it purports to be. As a specimen of it, we mean 60 indulge in a pretty long extract.

Woar Pook Acoustr.—If during this hot month you will clear out fence corners, and cut off vexations intruded with the weevil, thrash it out and leave it in the chaff. It will raise a heart when a leave when will do all it can to help you kill them. If your wheat is trolled with the weevil, thrash it out and leave it in the chaff. It will raise a heart when a little nurse of his own raising. Plant the seed; such when a year old, transplant them into rows eight inches apart in the row, and two feet between the rows During of your point of the will hive just as easily as a worthless sort. This is a good mouth to sow down follow fields to grass. Hough thoroughly—larse as perhaps done well by your stock, row of apple, pear, pesch and plums of his own raising. Plant the row, and two feet between the rows During of your point of your children; but what raises a hear in the forward to the month should be in proved by all who wish to put in a crop of buckwheat or turnips. If your pass was part do you provide for your family? You have something every might to mark out your personnel course by a definite plan of operations. It would be well if a farmer should how reader admirable service would be well if a farmer should how reader admirable service would be well if a farmer should in the yard. Corn, sown broadcast, would now render admirable services. Solve the your and gay, and the your short of the month should be in proved by all who wish to put in a crop of buckwheat or turnips. If your pass would be well if a farmer should how pass and p

able to suffer from the fly; if too late, CHICAGO, :::: ILLINOIS.

office Nos. 108 & 110 Adams Street, EHICAGO.

1.1. ILLINGIS.

We give notice to parties desirous of investigation to both. But moderate fields should be selected by the middle of the month. In preparing the land, if the surface does not naturally drain intestly, it should be so ploughed as to turn the water into furrows between each land. Standing water, and yet more ice upon it, being fatal to it. See that your cattle are brought into good condition for wintering. Fall transplanting may be performed from the middle of this month, take off every leaf—re-set and stake.

By the latter part of the month, or early in October, according to the sea son, it will-be necessary to raise and pot such plants as you intend to keep in the house, to raise and pot such plants as you may have. Let your seeds be gathered and care fully put away where it will contract no moisture. Go over your grounds and examine your labels, least the storms which are approaching should destroy them. Sow in some warm and shelfered part of your garden, early in this month, for spring use, spinage, corn, salad, lettice, dec. As soon as the leaves fall, take entitings from eugrant in the leaves fall, take entitings from eugrant in the leaves fall, take entitings from eugrant in the leaves and leaves fall, take entitings from eugrant in the leaves fall, take entitings from eugrant in the leaves fall, take entitings from eugrant in the leaves fall take of the property in the house, to raise and dry in a frost proof toom, your dahlias, tuba roses amarylias, tigridic, glashioli, and such and the storms which are approaching should destroy them. Sow in some warm and shelfered part of your garden, early in this month, for spring use, spinage, corn, salad, lettice, dec. As soon as the leaves fall, take entitings from eugrant in the leaves and all contains and crasmine your labels, least the storms which are expense of the same to be paid from the storms which are expense of the same to be paid from the storms which are expense of the same to be paid from corn, salad, lettuce, &c. As soon as the leaves fall, take cuttings from currant, bushes grapes, and plant them ont in rows. They will start off and grow earlier by some six weeks, the next season. Fill in your celery trenches every ten days.

Work for October.—Push forward your hogs as fast as possible. If they have had a clover range in the summer, they will be ready to start off vigorously the moment that you put them on corn. See that good

put them on corn. See that good! walks are made in every direction from tle yards should slope towards the centre in such a way that horses and cattle need not wade knee deep in going

shrubs, and all your preparations should be made for protecting tender trees and shrubs. For cherry and pear trees, especially, you should provide good covering for their trunks, until they have grown quite large. A good bundle of corn stalks set around the body so as to keep out the sun, but not the air, will snewer every purposed. For beds of China and tea, and dwarf roses, we advise a covering of three inches of balf.

Stove, known as THE UNITED STATES. This stove is pronounced, by those who have given it a fair trial, to be second to none in the country. We have also several other patterns of Cook stoves warranted to give satisfaction. Also a gencrul assortment of COMPRISING

D. W. EVANS & CO. No. 677 Broadway, New York.

N. B.—A WORD OF EXPLANATION to those who have known us under the style of Evrans & Co. The Business located by us at No. 677 Broadway, New York City, is the oldest established house in the country, and is known world wide as the original "Evans & Co.'s Gift Bookstore."

Many have taken the advantage of our popularity to advertise under the same name, to increase their trade—to protect the few who may be unacquainted with us, we would state that we have no connection with any other Gift Book House—and though many advertise under the name of Evans & Co.'s the first and only concern rightfully using the appellation to mislead the public, will be made to suffer the penalty of the law.

New Combined Map -: OF:-

Cass. Van Buren and Berrien INDEMNITY. COUNTIES, MICH., FROM Official Records and Special Surveys, by GIEI, & JONES, Topographical Surveyors; Authors of Maps of the Counties of Hillsdale, Branch, St. Jeseph, Jackson, Macomb and St. Clair, Mich.; Niagara, Eric, Catharangus, &c., New York; Monmouth, Morris, &c., New Jersey, etc.

Clair, Mich.; Niagara, Erie, Cattarangus, &c., New York; Monmouth, Morris, &c., New Jersey, etc.

The subscribers will publish by subscription, a New, Complete, Combined Map of the Counties of Cass, Van Buren and Berrica, from official Records and Special Surveys of the entire three Counties. The Map will exhibit all Public Boads, Railroads, Location of Churches, School Houses, Hotels, Mills, Mamfactorica, Dwellings, &c., Section and Quarter Lines; Lakes, Ponds, Streams, and other objects of importance in the Counties. The hames of Property Owners, generally, will be inserted in their proper places. Plans of the Principal villages, on an enlarged Scale, with a Business Directory of 2 ch, contaming the names and business of subscribers, and a Distance Table, showing the distance between any two villages of the Counties, will be engraved on the margin. The map will be handsomely colored, mounted on rolls, and finished in the best style, so as to make a highly ornamental, interesting and valuable work. The price of the combined map will be at the low figure of Six Dollars for copt, to be paid upon delivery, thus bringing it within the reach of every family. Views of prominent buildings will be engraved on the margin of the map by special contract.

The Publishers and authorized agents will visit every portion of these Counties, to solicit patronage to the work, and upon their call will be the time to subscribe, as it is entirely a local work, and will be sold by subscription only. Communications in regard to business, should be sent to Cassapolis, Mich.

Publishers, Philadelphia.

HOWARD ASOCIATION, Philadelphia.

Philadelphia.

A Borceolent Institution established by special Endowment for the Relief of the Sick and Distressel, afflicted with Virolent and Epidemic Diseases.

The Howard Association, in view of the awful destruction of human life, caused by Sexual diseases, several years ago directed their Consulting Surgeon, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, tage, occupation, habits of life, &c., and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE.

The Directors of the Association, in their Annual Report express the highest satisfaction with the success which has attended the labors of their Surgeon in the cure of Spermatorrhoea, Seminal Weakness, Gonorrhea, Gleet, Syphills, the vice of Onanism or Self Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

An admirable Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-abuse, and other diseases of the sexual organs, by the Consulting Surgeon, will be sent by mail (in a scaled envelope). PREE OF CHARGE, on receipt of TWO STAMPS for postage.

Address, for Report or treatment, Dr. J. SKIL-
